

Complaints Concerning Instructional Materials

The Governing Board uses a comprehensive process to adopt district instructional materials that is based on selection criteria established by law and Board policy and includes opportunities for the involvement of parents/guardians and community members.

Complaints concerning the content or use of instructional materials, including textbooks, supplementary instructional materials, library materials, and or other instructional materials and equipment shall be properly and fairly considered using established complaint procedures.

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

(cf. 6161.11 - Supplementary Instructional Materials)

(cf. 6163.1 - Library Media Centers)

Parents/guardians are encouraged to discuss any concerns regarding instructional materials with their child's teacher and/or the school principal. If the situation remains unresolved, a complaint may be filed using the process specified in the administrative regulation.

The district shall accept complaints concerning instructional materials only from staff, district residents, pupils, or the parents/guardians of children enrolled in a district school.

When deliberating upon challenged materials, the Superintendent and/or review committee shall consider the educational philosophy of the district, the professional opinions of teachers of the subject and of other competent authorities, reviews of the materials by reputable bodies, the teachers' stated objectives in using the materials, community standards, and the objections of the complainant.

The Superintendent's or review committee's decision is final. However, if the complainant finds the decision unsatisfactory, he/she may appeal the decision to the Board.

(cf. 9322 - Agenda/Meeting Materials)

The district's decision shall be based on educational suitability of the materials and the criteria established in Board policy and administrative regulation.

(cf. 6144 - Controversial Issues)

(cf. 9000 - Role of the Board)

(cf. 9005 - Governance Standards)

When any challenged instructional material is reviewed by the district, it shall not be subject to further reconsideration for 12 months, unless the Superintendent determines that reconsideration is warranted.

Complaints related to sufficiency of textbooks or instructional materials shall be resolved pursuant the districts Williams uniform complaint procedure at AR 1312.4.

(cf. 1312.1 - Complaints Concerning District Employees)

(cf. 1312.3 - Uniform Complaint Procedures)

(cf. 1312.4 - Williams Uniform Complaint Procedures)
