

Requesting Goods & Services (Bids And Quotations)

It is the policy of the Governing Board that bids of less than \$100,000 in value may be awarded by the Executive Director of Purchasing with the approval of the Chief Financial Officer only if the award is to the lowest bidder, the low bid meets bid specifications, the bid award is uncontested, and the bid is within the approved budget. A bid summary will be sent to the Board for ratification at the next regularly scheduled Board meeting.
