

Crime Data Reporting

Principals shall report all school crimes to the Superintendent or designee in accordance with law. (Penal Code 628, 628.1, 628.2)

The district desires to use accurate data based on these reports in developing effective school crime prevention programs and techniques.

Copies of school crime reports and district-wide aggregated data shall be made available to the public upon request. (Penal Code 618.2)

(cf. 0510 - Accountability Report Card)

(cf. 1340 - Access to District Records)

(cf. 3515 - School Safety and Security)
