

Fresno Unified Board Policy (BP) 4133.1 Travel Reimbursement

It is the policy of the Governing Board to reimburse all employees and officials of the district for actual and necessary expenses incurred while using private vehicles or attending authorized meetings or conferences on behalf of the district. Nonemployees, such as parents/guardians or community members, may be authorized to travel at district expense as representatives of the Board. All costs associated with travel shall have been provided in the school district budget. Travel expenses to be paid by another agency or institution will not be reimbursed by the district.

If travel is to involve costs to the district other than mileage, parking, or the employee's salary while absent from his/her work location, a travel request form shall be prepared by the employee and shall include a detailed cost estimate.

The Board President is authorized to approve attendance at conferences or meetings and other travel for the Superintendent and members of the Board. The clerk of the Board shall approve conference and other travel of the Board president. A quarterly information report shall be provided to each Board member showing the current and year-to-date travel expenses incurred by each of the above-named officials.
