Public Disclosure

Before entering into a negotiated agreement, the Board shall disclose, at a public meeting, the major provisions of the agreement, including but not limited to the costs that would be incurred by the district under the agreement for the current and subsequent fiscal years. (Government Code 3547.5)

In order to provide reasonable time for public review, the district shall make available to the public a copy of the proposed agreement at least 10 days prior to a meeting.

The Superintendent or designee shall also prepare a summary of the agreement which shall be available to the public. The summary shall include, but may not necessarily be limited to:

1. Major provisions of the agreement that affect compensation, such as the percentage change in salaries; changes in health and welfare benefits; changes in health and welfare benefit dollar contributions by the district; changes in step and column or longevity provisions; changes in overtime, differential, callback and standby pay provisions; changes in staffing ratios; one-time bonuses or off-the-schedule increases; percentage change of total compensation for the average represented employee

2. Other provisions that will result in increased costs to the district even if they do not involve an increase in employee compensation, such as class-size reduction or increased number of staff development days

3. Costs of the proposed agreement, for the current and subsequent fiscal years, for salaries, benefits, other compensation and other noncompensation costs.

4. Proposed source(s) of funding for the current and subsequent fiscal years including the assumptions used to determine available resources to meet the obligations of the proposed agreement

5. Other major provisions that do not directly affect the district's costs, such as grievance procedures.

A copy of the Board's policy implementing the public notice requirements shall be available in the district office. (Code of Regulations, Title 8, Section 32900)
