

Evaluation/Supervision

The Governing Board recognizes that appropriate supervision and regular, comprehensive evaluations can help employees to continually improve in the performance of their responsibilities. Evaluations shall be made in accordance with procedures specified in negotiated contracts and based on job-specific standards of performance.

(cf. 4141/4241 - Collective Bargaining Agreement)

The Board expects supervisors to gauge employees' on-the-job effectiveness and appraise their major accomplishments and progress in a fair, objective and consistent manner. Evaluations shall address the competence and care with which the employee executes his/her assigned responsibilities. As appropriate, evaluations also may address the extent to which the employee works cooperatively with others and observes school or district rules and regulations.

(cf. 4219.21 - Code of Ethics)

The Superintendent or designee shall ensure that classified employees have access to written rules or procedures related to the evaluation of their performance. (Education Code 45262)
