

Promotion/Demotion/Reassignment

Certificated Management and Supervisory Personnel

Certificated employees holding an administrative or supervisory credential may be released and placed in a different position for the following year.

Before March 15, the Governing Board shall meet and determine whether the identified employee may be released from his/her position effective the end of the school year and reassigned to a different position.

By March 15, the employee shall be notified of the Board's action by registered mail or in person. If the notice is presented to the employee in person, the employee's signature acknowledging receipt of the notice shall be obtained on the district's copy of the written notice. (Education Code 44951)

Before July 1, the Board shall take additional action to bring into effect the release and reassignment of employees who received the above notice.

If the reassignment is to a teaching position, the Board shall give the employee, if requested, a written statement of the reasons for the reassignment. If these reasons include incompetency as an administrator or supervisor, the district shall have completed an evaluation of the employee within the 60-day period immediately preceding the notice date. (Education Code 44896)

If a request for hearing is filed as specified above, a hearing shall be scheduled before the Board. The Board shall hear the matter, with the party initiating the reassignment bearing the burden of proving the reasons for the reassignment. The hearing shall be recorded by a reporter or tape recording. After the hearing, the Board shall determine whether to approve, modify, or revoke the reassignment. The decision of the Board shall be final.

Demotion and Reclassification - Classified Management, Supervisory and Confidential Personnel

"Demotion" means assignment to an inferior position or status, without the employee's written voluntary consent. (Education Code 45101)

"Reclassification" means the upgrading of a position to a higher classification as a result of the gradual increase of the duties being performed by the incumbent in such position. (Education Code 45101)

Any decision regarding the demotion of a permanent management, supervisory or confidential classified employee shall be subject to the causes, appeal rights, and procedure set forth in district policy, regulation or collective bargaining agreements for disciplinary action against classified employees.

(cf. 4218 - Suspension/Disciplinary Action)

Management supervisory and confidential classified employees shall be reclassified at the discretion of the district subject to provisions of any applicable collective bargaining agreements if the employee is to be assigned to a position within the bargaining unit.
