

Personal Illness And Injury Leave

Full-time certificated employees are entitled to 10 days leave of absence for personal illness or injury (sick leave) per school year, with full pay. Employees working less than five days per week shall be granted comparable sick leave in proportion to the time they work. (Education Code 44978)

(cf. 4161/4261 - Leaves)

(cf. 4161.9/4261.9/4361.9 - Catastrophic Leave Program)

An employee may take sick leave at any time during the school year, even if credit for sick leave has not yet been accrued. (Education Code 44978)

An employee who does not complete a given year of service shall be charged for any unearned sick leave used as of the date of termination.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code 44978)

Any certificated employee who leaves the district after at least one year of employment and accepts a certificated position in another district, county office of education or community college district within one year shall have transferred with him/her the total amount of accumulated sick leave. The district may not require new employees to waive their leave accumulated in a previous district. (Education Code 44979, 44980)

Available accrued sick leave may be used by certificated employees for:

1. Cases of temporary inability to perform duties because of illness, accident or quarantine, whether or not the cause of absence arises out of and in the course of employment (Education Code 44964)

(cf. 4157.1/4257.1/4357.1 - Work-Related Injuries)

2. Absences due to pregnancy, miscarriage, childbirth and recovery (Education Code 44965, 44978)

(cf. 4161.8/4261.8/4361.8 - Family Care and Medical Leave)

3. Cases of personal necessity up to a maximum of seven days (Education Code 44981)

(cf. 4161.2/4261.2/4361.2 - Personal Leaves)

4. Medical and dental appointments, in increments of not less than one hour

5. Cases of industrial accidents or illnesses when leave granted specifically for that purpose has expired (Education Code 44984)

(cf. 4161.11/4361.11 - Industrial Accident/Illness Leave)

6. Illness of the employee's child, parent or spouse, up to the amount of sick leave that would be accrued during six months (Labor Code 233)

Sick Leave Beyond 10 Days

When a certificated employee has exhausted all available sick leave, including all accumulated sick leave, and continues to be absent from his/her duties due to illness or accident for an additional period up to five school months, the employee shall receive his/her regular salary minus the actual cost of a substitute to fill the position. If the district has made every reasonable effort to secure the services of a substitute and has been unable to do so, the amount that might have been paid to a substitute shall be deducted from the employee's salary. (Education Code 44977)

The sick leave, including accumulated sick leave, and the five-month period shall run consecutively. (Education Code 44977)

An employee shall not be provided more than one five-month period per illness or accident. However, if the school year ends before the five-month period is exhausted, the employee may take the balance of the five-month period in a subsequent school year. (Education Code 44977)

After five months, if a certificated employee has exhausted all available sick leave and is not medically able to resume his/her duties, the employee shall be placed either in another position or on a reemployment list. If the employee is on probationary status, he/she shall be placed on the reemployment list for 24 months beginning at the expiration of the five-month period provided pursuant to Education Code 44977; if on permanent status, the employee shall be placed on the reemployment list for 39 months. If during this time the employee becomes medically able, he/she shall be returned to employment in a position for which he/she is credentialed and qualified. (Education Code 44978.1)

The base substitute pay to be deducted for certificated or classified management personnel is the Board approved daily rate of substitute pay for management positions. Pursuant to Education Code 44977, this substitute rate will be deducted whether or not a substitute is provided for certificated management. Pursuant to Education 45196, this substitute rate will be deducted only if a substitute is provided for classified management. No deduction from the salary shall be made until all accumulated sick leave has been used.

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may, at any time, require additional written verification by the employee's physician or practitioner. Such verification shall be required whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever clear evidence indicates that an absence is not related to illness or injury.

The Superintendent or designee may require an employee to visit a physician selected by the district and at district expense in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of absence and a prognosis for when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee may, after giving notice to the employee, deny further leave.

Before returning to work, an employee who has been absent for surgery, hospitalization or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return and stipulating any recommended restrictions or limitations.

In keeping with the step advancement requirement of working a minimum of 75% of the teaching year, each certificated employee of the district who misses more than 25% of the school year (46 days or more based on 185 duty days for a teacher) shall not be qualified for step advancement on the salary schedule the year following the absence of 25% or more of the duty days; nor shall that year be counted as a year of service applicable to the anniversary increment.
