

Catastrophic Leave Program

The district will provide a catastrophic sick leave program for all district employees in accordance with the provisions of Education Code 44043.5.

The Governing Board authorizes the Superintendent to establish the program to be implemented for one calendar year beginning March 1, 1992 and ending December 31, 1992, The Board will review this policy in November 1992 and will take action to continue or discontinue this policy for an additional calendar year.
