

Fresno Unified Administrative Regulations (AR) 5021 Noncustodial Parents

The Governing Board desires to encourage both parents to be involved in the education of their children.

Noncustodial parents generally retain the same rights as custodial parents unless a court order restricts the rights of the noncustodial parent. These rights include but are not limited to accessing their child's student records, participating in school activities and visiting the child at school. If a completed or pending legal action curtails the noncustodial parent's rights, the parent/guardian with custody shall provide evidence of this action to the Superintendent or designee.
