

Noncustodial Parents

The Governing Board desires to encourage both parents to be involved in the education of their children.

Noncustodial parents generally retain the same rights as custodial parents unless a court order restricts the rights of the noncustodial parent. These rights include but are not limited to accessing his/her child's student records, participating in school activities and visiting the child at school. If a completed or pending legal action curtails the noncustodial parent's rights, the parent/guardian with custody shall provide evidence of this action to the Superintendent or designee.

(cf. 5125 - Student Records)

(cf. 5142 - Safety)

(cf. 6020 - Parent Involvement)

In the event of an attempted violation of a court order that restricts access to a student, staff shall contact the custodial parent and local law enforcement officials and shall make the student available only after one or both of these parties consent.
