INTERDISTRICT TRANSFER POLICY

(ETHNICITY-DESIGNATION)

The racial/ethnic designation is needed by school personnel at the time of student enrollment for survey purposes and determining Intradistrict Transfer eligibility. The racial/ethnic designations indicated are those used by the U.S. Department of Education, Office for Civil Rights, and by the California State Department of Education. These designations do not denote scientific definitions nor anthropological origins.

The district will adhere to the following procedures when a student establishes their ethnicity upon enrollment for the purpose of INTRADISTRICT TRANSFER.

Racial/ethnicity is declared when a student initially enrolls in a district school.

The following racial/ethnic designation categories are used by FUSD:
