

Fresno Unified Board Policy (BP) 5145.13 Response to Immigration Enforcement

The Governing Board is committed to the success of all students and believes that every school site should be a safe and welcoming place for all students and their families irrespective of their citizenship or immigration status.

District staff shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members or provide assistance with immigration enforcement at district schools, except as may be required by state and federal law. (Education Code 234.7)

(cf. 5111 - Admission)

(cf. 5111.1 - District Residency)

No student shall be denied equal rights and opportunities nor be subjected to unlawful discrimination, harassment, intimidation, or bullying in the district's programs and activities on the basis of their actual or perceived immigration status or their religious beliefs and customs. The Superintendent or designee shall notify parents/guardians regarding their children's right to a free public education regardless of immigration status or religious beliefs and their rights related to immigration enforcement. (Education Code 234.7)

This information shall include information relating to "know your rights" immigration enforcement established by the Attorney General and may be provided in the annual notification to parents and guardians pursuant to EC Section 48980 or any other cost-effective means determined by the LEA. (EC Section 234.7[d][1])

(cf. 5145.6 - Parental Notifications)

If an employee of a school is aware that a pupil's parent or guardian is not available to care for the pupil, the school shall first exhaust any parental instruction relating to the pupil's care in the emergency contact information it has for the pupil to arrange for the pupil's care. A school is encouraged to work with parents or guardians to update the emergency contact information and not to contact Child Protective Services to arrange for the pupil's care unless the school is unable to arrange for care through the use of emergency contact information or other information or instructions provided by the parent or guardian. (EC Section 234.7[c])

Consistent with requirements of the California Office of the Attorney General, the Superintendent or designee shall develop procedures for addressing any requests by a law enforcement officer for access to district records, school sites, or students for the purpose of immigration enforcement.

Such notification shall be provided in a manner that ensures the confidentiality and privacy of any potentially identifying information. (Education Code 234.7)
