Fresno Unified Board Policy (BP) 5145.3
Nondiscrimination/Harassment

The Governing Board desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, programs, practices, or school attendance within a school under the jurisdiction of the Superintendent, unlawful discrimination, including discriminatory harassment (including sexual harassment), intimidation, and bullying targeted at any student by anyone, based on the student's actual or perceived sex, sexual orientation, gender, gender identity, gender expression, genetic information, race, ancestry, nationality, national origin, immigration status, ethnicity, ethnic group identification, age, religious creed, religion, political belief or affiliation, color, marital status, pregnancy, parental status, childbirth, breastfeeding/lactation status, medical condition, physical or mental disability, or the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

This policy shall apply to all acts constituting unlawful discrimination or harassment related to school activity or to school attendance occurring within a district school and to acts which occur off campus or outside of school-related or school-sponsored activities, but which may have an impact or create a hostile environment at school. (Education Code 234.1)

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also includes the creation of a hostile environment through prohibited conduct that is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Governing Board shall ensure equal opportunities for all students in admission and access to the educational program, guidance and counseling programs, athletic programs, testing procedures, and other activities. School staff and volunteers shall carefully guard against segregation, bias and stereotyping in instruction, guidance, and supervision. The district may provide male and female students with separate shower rooms and sexual health and HIV/AIDS prevention classes in order to protect student modesty.

The Board also prohibits any form of retaliation against any student who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint or investigates or
participates in the investigation of a complaint or report alleging unlawful discrimination, harassment, intimidation, or bullying. Staff shall be alert and immediately responsive to student conduct which may interfere with another student’s ability to participate in or benefit from school services, activities, or privileges. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The district shall ensure that all complainants are protected from retaliation and that the identity of a complainant alleging discrimination, harassment, intimidation, or bullying remains confidential, as appropriate. (EC Section 234.1(g))

(cf. 5145.2 - Freedom of Speech/Expression)
(cf. 5145.7 - Sexual Harassment)

Staff shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community’s understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. They shall report their findings and recommendations to the Board after each review.
