Supplementary Materials Aligned with Common Core Standards

To prepare district students to achieve the Common Core Standards in English language arts and mathematics and the English language development standards, as applicable, the Board may select supplementary instructional materials from the lists of materials determined by the State Board of Education (SBE) to be aligned with those standards. (Education Code 60605.86-60605.88)

The Board may approve supplementary instructional materials that are not on the lists approved by the SBE but which are aligned with the Common Core Standards provided that the materials comply with the evaluation criteria established by the SBE and Education Code 60050, 60060-60062, and 60226. The Board shall select content review experts who possess the qualifications specified in law to review and recommend such supplementary materials. The majority of the content review experts shall be teachers who are credentialed and/or authorized in the subject area they are reviewing and the remainder shall include appropriate persons from postsecondary educational institutions, school and district curriculum administrators, and other persons who are knowledgeable in the subject area. (Education Code 60605.86-60605.88)

Appropriateness of Materials

Whenever a district employee proposes to use a supplementary resource which is not included in the approved learning resources of the district, he/she shall preview the material to determine whether, in his/her professional judgment, it is appropriate for the grade level taught and is consistent with district criteria for the selection of supplementary instructional materials.

The employee shall confer with the Superintendent or designee as necessary to determine the compliance of the material with district criteria. The primary considerations should be the educational value, appropriateness, and relevance of the materials as well as the ages and maturity of the students.

All films must be appropriate for the curriculum and the students' ages.

If the teacher has any questions about how established district criteria apply to the film, he/she shall confer with the principal or designee before showing the film.
