

Overdue, Damaged or Lost Instructional Materials

The Governing Board recognizes that instructional materials are an expensive resource. The Superintendent or designee may establish procedures in accordance with law to protect instructional materials from damage or loss.

Instructional materials provided for use by students remain the property of the district. When property of the district is lent to students, the Governing Board expects that it shall be returned in a timely manner, with no more than usual wear and tear. If the property has been willfully cut, defaced or otherwise damaged, or if the student refuses to return it at the request of a district employee, the district shall afford the student his/her due process rights and subsequently may withhold the student's grades, diploma and transcripts until the student or parent/guardian has paid all damages. As provided by law, the parent/guardian of a minor shall be liable for all damages caused by the minor's misconduct. (Education Code 48904)

(cf. 5125.2- Withholding Grades, Diploma or Transcripts)

(cf. 5131.5 - Vandalism, Theft and Graffiti)

The district will notify the student's parent/guardian of the alleged misconduct before withholding grades, diploma and transcripts. If the parent/guardian or student is unable to pay for the damages or return the property, the district shall provide a program of voluntary work for the student to do instead. When the work is done, the student's grades, transcripts and diploma shall be released.
