Education For Homeless Children

The Governing Board desires to ensure that homeless students have access to the same free and appropriate public education provided to other students within the district. The district shall provide homeless students with access to education and other services necessary for them to meet the same challenging academic standards as other students.

(cf. 6011 - Academic Standards)

The Superintendent or designee shall identify and remove any barriers to the identification and enrollment of homeless students and to the retention of homeless students due to absences or outstanding fees or fines. (42 USC 11432)

(cf. 5113.1 - Chronic Absence and Truancy)

The Superintendent or designee shall ensure that placement decisions for homeless students are based on the student's best interest as defined in law and Administrative Regulation.

(Education Code 48852.7; 42 USC 11432)

Best interest means, to the extent feasible, continuing a student's enrollment in the school of origin for the duration of their homelessness, except when doing so is contrary to the wishes of their parent/guardian. (42 USC 11432)

The Superintendent or designee shall designate an appropriate staff person to serve as a liaison for homeless children and youths. The district liaison shall fulfill the duties specified in 42 USC 11432 to assist in identifying and supporting homeless students to succeed in school.

District liaisons and other appropriate staff shall participate in professional development and other technical assistance activities to assist them in identifying and meeting the needs of homeless students and to provide training on the definitions of terms related to homelessness. (42 USC 11432)

At least annually, the Superintendent or designee shall report to the Board on outcomes for homeless students including outcomes related to any goals and specific actions identified in the LCAP.

(cf. 0500 - Accountability)

(cf. 6190 - Evaluation of the Instructional Program)

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

10. Ensure that unaccompanied youth are enrolled in school, have opportunities to meet the same challenging state academic standards established for other students, and are informed of their status as independent students under 20 USC 1087vv and that they may receive assistance from the district liaison to receive verification of their independent student status for purposes of applying for federal student aid pursuant to 20 USC 1090

11. Coordinate and collaborate with state coordinators and community and school personnel responsible for the provision of education and related services to homeless students, including the provision of comprehensive data to the state coordinator as required by law

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

Information about a homeless student's living situation shall be considered part of a student's educational record, subject to the Family Educational Rights and Privacy Act and shall not be deemed to be directory information as defined in 20 USC 1232g. (42 USC 11432)

(cf. 5125 - Student Records)

(cf. 5125.1 - Release of Directory Information)

Each homeless student shall be provided services that are comparable to services offered to other students in the school, including, but not limited to, transportation, educational programs for which the student meets the eligibility criteria (such as federal Title I services or similar state or local programs, programs for students with disabilities, and educational programs for English learners), career and technical education programs, programs for gifted and talented students, and school nutrition programs. However, the Superintendent or designee may separate homeless students on school grounds as necessary for short periods of time for health and safety emergencies or to provide temporary, special, and supplementary services to meet the unique needs of homeless students. (42 USC 11432, 11433)

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 3553 - Free and Reduced Price Meals)

The Superintendent or designee shall coordinate with other agencies and entities to ensure that homeless children and youth are promptly identified, ensure that homeless students have access to and are in reasonable proximity to available education and related support services, and raise the awareness of school personnel and service providers of the effects of short-term stays in a shelter and other challenges associated with homelessness. Toward these ends, the Superintendent or designee shall collaborate with local social services agencies, other agencies or entities providing services to homeless children and youth, and, if applicable, transitional housing facilities. In addition, the Superintendent or designee shall coordinate transportation, transfer of school records, and other interdistrict activities with other local educational agencies. As necessary, the Superintendent or designee shall coordinate, within the district and with other involved local educational agencies, services for homeless students and services for students with disabilities. (42 USC 11432)

(cf. 1020 - Youth Services)

Enrollment

Placement decisions for homeless students shall be based on the student's best interest. In determining a student's best interest, a homeless student shall, to the extent feasible, be placed in their school of origin, unless their parent/guardian requests otherwise. (42 USC 11432)

In determining the best interest of the student, the district shall consider student-centered factors related to the student's best interest, including factors related to the impact of mobility on achievement, education, health, and safety, giving priority to the request of the student's parent/guardian or, in the case of an unaccompanied youth, the youth. (42 USC 11432)

However, placement decisions shall not be based on whether a homeless student lives with their homeless parent/guardian or has been temporarily placed elsewhere. (42 USC 11432)

In the case of an unaccompanied youth, the liaison shall assist in placement or enrollment decisions, give priority to the views of the student, and provide notice to the student of their appeal rights. (42 USC 11432)

In determining a student's best interest, a homeless student shall, to the extent feasible, be placed in their school of origin, unless the student's parent/guardian or the unaccompanied youth requests otherwise. (Education Code 48852.7; 42 USC 11432)

Once a placement decision has been made, the principal or designee shall immediately enroll the student in the school of choice. The student shall be enrolled even if they: (Education Code 48852.7; 42 USC 11432)

1. Have outstanding fees, fines, textbooks, or other items or monies due to the school last attended

(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

2. Do not have clothing normally required by the school, such as school uniforms

(cf. 5132 - Dress and Grooming)

3. Are unable to produce records normally required for enrollment, such as previous academic records, proof of residency, and records of immunization and other required health records

(cf. 5111 - Admission)

(cf. 5111.1 - District Residency)

(cf. 5125 - Student Records)

(cf. 5141.26 - Tuberculosis Testing)

(cf. 5141.31 - Immunizations)

(cf. 5141.32 - Health Screening for School Entry)

4. Have missed application or enrollment deadlines during any period of homelessness

The principal or designee shall immediately contact the school last attended by the student to obtain the relevant records. If the student needs to obtain immunizations or does not possess immunization or other required health records, the principal or designee shall refer the parent/guardian to the district homeless liaison. The district liaison shall assist the parent/guardian, or the student if they are an unaccompanied youth, in obtaining the necessary immunizations, screenings, or records for the student. (42 USC 11432)

If the student is placed at a school other than their school of origin or the school requested by their parent/guardian or an unaccompanied youth, the Superintendent or designee shall provide the parent/guardian or the unaccompanied youth with a written explanation of the decision along with a statement regarding the right to appeal the placement decision. (42 USC 11432)

The student may continue attending their school of origin for the duration of the homelessness. (Education Code 48852.7; 42 USC 11432)

To ensure that the homeless student has the benefit of matriculating with their peers in accordance with the established feeder patterns, the following shall apply: (Education Code 48852.7; 42 USC 11432)

1. If the student is transitioning between grade levels, they shall be allowed to continue in the same attendance area.
2. If the student is transitioning to a middle school or high school, and the school designated for matriculation is in another school district, they shall be allowed to continue to the school designated for matriculation in that district.

If the student's status changes before the end of the school year so that they are no longer homeless, they shall be allowed to stay in the school of origin: (Education Code 48852.7)

1. Through the duration of the school year if the student is in grades K-8
2. Through graduation if the student is in high school

Resolving Enrollment Disputes

If a dispute arises over student eligibility, school selection or enrollment in a particular school, the matter shall be referred to the district liaison, who shall carry out the dispute resolution process as expeditiously as possible. (42 USC 11432)

The parent/guardian or unaccompanied youth shall be provided with a written explanation of any decisions related to eligibility, school selection, or enrollment and of the, right of the parent/guardian or unaccompanied youth to appeal the decision. (42 USC 11432)

The written explanation shall include:

1. A description of the action proposed or refused by the district
2. An explanation of why the action is proposed or refused
3. A description of any other options the district considered and the reasons that any other options were rejected
4. A description of any other factors relevant to the district's decision and information related to the eligibility or best interest determination including the facts, witnesses, and evidence relied upon and their sources
5. Appropriate timelines to ensure any relevant deadlines are not missed
6. Contact information for the district liaison and state coordinator, and a brief description of their roles

The written explanation shall be complete, as brief as possible, simply stated, and provided in language that the parent/guardian or student can understand.

The district liaison may use an informal process as an alternative to formal dispute resolution procedures, provided that the parents/guardians or unaccompanied youth have access to the more formal process if informal resolution is not successful in resolving the matter.

In working with a student's parents/guardians or unaccompanied youth to resolve an enrollment dispute, the district liaison shall:

1. Inform them that they may provide written and/or oral documentation to support their position
2. Inform them that they may seek the assistance of social services, advocates, and/or service providers in having the dispute resolved
3. Provide them a simple form that they may use and turn in to the school to initiate the dispute resolution process
4. Provide them a copy of the dispute form they submit for their records
5. Provide them the outcome of the dispute for their records

If a parent/guardian or unaccompanied youth disagrees with the liaison's enrollment decision, they may appeal the decision to the Director of Student Support Services. The Director shall make a determination within five working days.

If the parent/guardian chooses to appeal the district's placement decision, the district liaison shall forward all written documentation and related paperwork to the homeless liaison at the county office of education.

Pending final resolution of the dispute, including all available appeals, the student shall be immediately enrolled in the school in which enrollment is sought and shall be allowed to attend classes and participate fully in school activities. (42 USC 11432, 11434a)

Applicability of Graduation Requirements

To obtain a high school diploma, a homeless student shall complete all courses required by Education Code 51225.3 and fulfill any additional graduation requirements prescribed by the Governing Board.

(cf. 6146.1 - High School Graduation Requirements)

However, when a homeless student who has completed their second year of high school transfers into the district from another school district or transfers between high schools within the district, they shall be exempted from all district-adopted coursework and other district-established graduation requirements, unless the district makes a finding that the student is reasonably able to complete the additional requirements in time to graduate from high school by the end of their fourth year of high school. Within 30 calendar days of the homeless student's transfer, the Superintendent or designee shall notify the student, the person holding the right to make educational decisions for them, and the district liaison for homeless students of the

availability of the exemption and whether the student qualifies for it. If the Superintendent or designee fails to provide this notification, the student shall be eligible for the exemption once notified, even if the notification occurs after the student is no longer homeless. (Education Code 51225.1)

To determine whether a homeless student is in their third or fourth year of high school, the district shall use either the number of credits they have earned as of the date of the transfer or the length of their school enrollment, whichever qualifies the student for the exemption. (Education Code 51225.1)

The Superintendent or designee shall notify any homeless student who is granted an exemption and the person holding the right to make educational decisions for them, how any requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and shall provide information about transfer opportunities available through the California Community Colleges. (Education Code 51225.1)

The district shall not require or request a homeless student to transfer schools in order to qualify for an exemption and no request for a transfer solely to qualify for an exemption shall be made by a homeless student, the person holding the right to make educational decisions for the student, or the district liaison on behalf of the student. (Education Code 51225.1)

If a homeless student is exempted from local graduation requirements, the exemption shall continue to apply after the student is no longer homeless or if they transfer to another school or school district. (Education Code 51225.1)

If the Superintendent or designee determines that a homeless student is reasonably able to complete district graduation requirements within their fifth year of high school, they shall: (Education Code 51225.1)

1. Inform the student and, if under 18 years of age, the person holding the right to make educational decisions for them, of the option available to the student to remain in school for a fifth year to complete the district's graduation requirements and how that will affect their ability to gain admission to a postsecondary educational institution
2. Provide information to the homeless student about transfer opportunities available through the California Community Colleges
3. Upon agreement with the homeless student or with the person holding the right to make educational decisions for them if they are under 18 years of age, permit the student to stay in school for a fifth year to complete the district's graduation requirements

Fresno Unified School District prohibits discrimination, harassment (including sexual harassment), intimidation, and bullying based on actual or perceived race, color, ethnicity, national origin, immigration status, ancestry, age (40 and above), religious creed, religion, political belief or affiliation, gender, gender identity, gender expression, genetic information, mental or physical disability, sex, sexual orientation, marital status, pregnancy or parental status, childbirth, breastfeeding/lactation status, medical condition, military and veteran status, or association with a person or a group with one or more of these actual or perceived characteristics or any other basis protected by law or regulation, in its educational program(s) or employment.
