

Migrant Education Program

Eligibility

A student age 3 to 21 years shall be eligible for the district's migrant education program if they meet the criteria specified in 20 USC 6399 and 34 CFR 200.81 as verified by a migrant education recruiter. The district shall give first priority for services to migrant students who are failing, or most at risk of failing, to meet state content and challenging state performance standards, and whose education has been interrupted during the regular school year. (20 U.S.C. 6394)

A student who ceases to be a migrant student during a school term shall be eligible for services until the end of the term. If comparable services are not available through other programs, a student who is no longer migratory may continue to receive services for one additional school year. Students who were eligible for services in secondary school may continue to be served through credit accrual programs until graduation. (20 USC 6394)

The district shall provide services to eligible private school students residing within the district on an equitable basis with participating public school students. (20 USC 7881; 34 CFR 200.87)

Student Records

The Superintendent or designee shall maintain records documenting the eligibility of students enrolled in the district's migrant education program.

(cf. 5125 - Student Records)

The Superintendent or designee shall acquire education and health records from migrant students' previous school districts, as appropriate.

When a migrant student transfers to another district, their records shall be provided to the receiving district upon request at no cost in order to assist that district in meeting the needs of the student. (20 USC 6398)
